

The REAL Rental Assistance Program

THIS PROGRAM REQUIRES A COVID-19 RELATED NEED

The REAL Rental Assistance Program for COVID Relief is to provide short- and/or medium-term rental assistance and accompanying, limited supportive services, as needed, to help an individual or family that is homeless or in danger of becoming homeless due to their inability to pay rent.

We are also able to help those who are in danger of becoming homeless due to their inability to pay rent by offering short- and medium-term rental assistance for payment of an eligible program participant's rent in arrears and up to three months forward.

This special program will be used to prevent, prepare for, and respond to the COVID 19 pandemic among individuals and families who are homeless or in danger of becoming homeless; and to support these clients with additional homeless assistance and homelessness prevention activities to mitigate the impact of COVID-19.
